

## Federal CACFP Reimbursement Rates

Federal CACFP meal reimbursement rates have two separate rates (Tiers). CACFP is an “entitlement program”. This ensures you will receive a reimbursement for the allowed creditable meals and snacks you serve to all eligible children in your care. This is very important in ensuring your continued ability to provide healthy nutritious meals to all the children in your care. Each year, the federal reimbursement rate is adjusted to compensate for inflation and general price increases. We will inform you of all new reimbursement rates as soon as they become effective. The federal reimbursement rates shown below are effective until June 30, 2024.
